Emergency Financial Aid Grant Instructions:

Hi Student!

As you may know, the Federal Government has made HEERF II (CARES Act II) money available for student grants to assist with Covid related expenses. Northark has been given the opportunity to disburse these grants to Northark students.

According to our records, you are eligible for a student grant from the CARES Act II money. If you have entered your banking information in myNorthark, you will receive a direct deposit. If you have not completed your direct deposit information, a check will be mailed to you on February 26th.

We hope this money will help you meet your expenses and allow you to focus on your success this semester.

As always, if we can help in any way, please do not hesitate to contact me.

Have a great day,
