Summer 2019 Financial Aid

- To receive federal financial aid for the summer 2019 semester(s), you must have a completed file in the North Arkansas College Financial Aid Office. A completed file includes a valid FAFSA application, data form and verification documents, if required, and transfer transcripts.
- Non-Degree students are not eligible for federal financial aid.
- Students must meet the Satisfactory Academic Progress policy, which can be found on the Northark website.
- Changes to your enrollment status may affect your eligibility.
- Students can only receive federal aid for a repeated course one time if a passing grade has already been earned.
- If a student plans to attend both sessions, he/she MUST register for **ALL** Summer I and Summer II classes by the census date of June 4th in order to receive aid for all hours.
- Classes added after the census date will **NOT** be considered eligible for Financial Aid.
- Withdrawal from classes after the census date may result in aid being reduced or revoked.
- Students registered for classes in both summer sessions will have ALL summer charges paid with Summer I funds.

Please see **SUMMER 2019 IMPORTANT INFORMATION** on the back of this application regarding summer aid awarding and eligibility.

SUMMER 2019 IMPORTANT INFORMATION

Summer Pell

Students who were enrolled **full time** (12 or more hours) during both the previous fall and spring terms **must enroll in at least 6 credit hours** to be eligible for any additional Pell funds during the summer.

Students who were enrolled part time in the previous fall and/or spring semesters may have remaining Pell Grant funds available for the summer term(s) and may not have to be enrolled in a specific number of credit hours to have Pell Grant eligibility.

Enrollment Information

Students intending to receive federal financial aid for summer enrollment **MUST** register for ALL classes during the Summer I enrollment period. This includes all classes for Summer I and Summer II. Any classes added after this period will not be considered eligible for Financial Aid.

**** Exception:** Students attending Summer II classes only must be enrolled by July 3rd for financial aid to be reviewed for eligibility. Any classes that are added after this date will not be considered eligible for Financial Aid.

Repeated Coursework

Students can only receive federal aid for a repeated course one time if a passing grade has already been earned.

Payment/Refund Information

- Students pre-registered in Summer I and Summer II classes will have **ALL** summer charges paid with Summer I aid.
- Summer I funds will be applied to tuition, fees and bookstore charges. If there are excess funds available, they will be disbursed during the summer I term (June 19th).
- Some students who are eligible for a Financial Aid disbursement check may not receive their disbursement until the Summer II disbursement during the summer II term (July 17th) as **ALL** summer charges will be paid out of Summer I aid.

Loan Information

- If a student did not borrow the maximum annual loan limit during the preceding fall and/or spring semester, he/she may be eligible to receive Direct Student Loans during the Summer 2019 semester.
- In order to be eligible for loans, students **MUST** enroll in at least 6 hours and complete a summer student loan application form.
- To receive loans, students must have a valid Master Promissory Note and Direct Loan Entrance Counseling on file with the Financial Aid Office (completed online at www.StudentLoans.gov).

Loan eligibility **CANNOT** be determined until a student has registered for **ALL** summer classes.
