

2026-2027 Federal Direct Student Loans

Subsidized Student Loans are loans for undergraduate students with financial need, as determined by your cost of attendance minus expected family contribution and other financial aid (grants/scholarships). Subsidized Student Loans do not accrue interest while you are enrolled as at least a half time student.

Unsubsidized Student Loans will accrue interest from the time the loan is disbursed until it is paid in full. Unsub loan amounts are determined by the school based on your cost of attendance and other financial aid you receive.

HOW MUCH SHOULD YOU BORROW?

In order to have a successful student loan experience and not over burden yourself after graduation, you should not borrow more than you can repay. This page and the budget worksheet will help you take a realistic look at your current financial situation to estimate your financial future. We HIGHLY encourage you to use these resources to get an idea of what your financial future looks like before you apply for a student loan.

Budget Worksheet While Enrolled at UA Northark Instructions:

List your current income and expenses for this academic year.

After Graduation Budget Worksheet Instructions:

Use the U.S. Bureau of Labor website and research current entry level wages for your anticipated occupation. This will help you to create a budget that is based on your anticipated monthly salary and monthly expenses. You will be able to look at a specific location and a specific career by using the U.S. Bureau of Labor's website: www.bls.gov/oes/current/oesrema.htm

Estimated Student Loan Debt at Graduation:

To add up your estimated student loan payment you will need your previous loan amounts (login at www.studentaid.gov to get your loan history information). Then estimate any future loan amounts you may incur both at UA Northark and at any school you may transfer to in order to meet your educational goals.

- Total previous student loan debt: \$ _____
- Student loan request for current year: \$ _____
- Estimated future student loan requests at UA Northark: \$ _____
- Estimated future student loan requests at other institutions: \$ _____

Total estimated student loan debt: \$ _____

Use the SmartStudent Guide to Financial Aid website to help you estimate your future monthly student loan payment. Visit the site at <http://www.finaid.org/calculators/loanpayments.phtml> and enter your information into the calculator. (We recommend using the default interest rate and term length that it gives you).

ESTIMATED MONTHLY STUDENT LOAN PAYMENT: \$ _____
